To

General and Revenue *Departments.*

SIR,

I have the honor to bring to your notice that the Mysore Artware account is not received in this office in time so that the Provincial accounts to be submitted to Government are either to be delayed or the transactions of the artware accounts not included in the accounts. Arrangements may therefore be kindly made to get the accounts in time from the officer in charge of the Artware and forward the same to this office before a certain date in the month following that to which the accounts relate. Ordinarily the Treasury and other Departmental accounts are due in this office a few days after the end of the month to which they relate. As the Artware account is received first by Government and then forwarded to this office after review by them it cannot be expected to be received here on the date on which the other Departmental accounts are due here. for this, I think the 15th or the 20th of the following month may conveniently be fixed as the date on which the account is due here. The adoption of some such procedure appears to be necessary for the account to be received herein time for inclusion in the monthly -- provincial account. I, therefore, commend the same for the consideration of Government. I may here point out that the accounts from June to September 1912 were received here after a very long delay and that in consequence, the figures for June 1912 were included in the accounts of the next official year viz,, 1912-1913. It may be also stated that the accounts for December 1912 and January 1913 have not yet been received here and that the Provincial accounts for those months may have to be closed without them. I have, therefore, thought it necessary to address ~~the~~ Government in the matter and request that arrangements may be made for the timely receipt of the accounts in this office.

I have the honor to be,

Sir,

Your most obedient servant,
